

Kshitij Chaware

Enthusiastic learner with a strong passion for coding and technology. Dedicated to continuous personal and professional growth through hands-on experience. Skilled in problem-solving and eager to embrace new challenges. Committed to leveraging coding skills to create innovative solutions.

EDUCATION

Study Program KJ Somaiya college of Engineering

Courses

- BTech in Information Technology
- Honor's in Artificial Intelligence

PROJECTS

Social Media Website

- Completely connected social media website with backend database with feature to chat with other users. Developed a dynamic social media website that fosters community engagement and connection, featuring user profiles, real-time messaging, and customizable feeds to enhance user experience.

Voice Controlled Chat AI

- Created an innovative voice-controlled chatbot that enhances user interaction through natural language processing. Designed to provide instant responses and support across various topics, ensuring a seamless user experience. Integrated advanced speech recognition technology to enable hands-free communication.

WORK EXPERIENCE

Placement Coordinator KJ Somaiya TPO

As a placement coordinator, I learned the importance of effective communication and teamwork in managing diverse expectations. I also gained valuable skills in organization, networking, and problem-solving under pressure.
